

Fact Sheet Tower Crane Formal Training Course

Tower Crane Formal Training Course

Koolat Safety and Hutchinson Builders, through their subsidiary, Building Industry Supplies (BIS), have joined forces to deliver Formal Tower Crane Courses. Formal training as required by Qld Legislation is delivered at Koolat Safety's Industry Skills Centre at Helensvale on Queensland's Gold Coast and at Hutchinson Builder's Yatala Yard. Hutchinson Builders currently have two Favco 750 Tower Cranes at their Yatala Yard.

Price: \$3000 (training is GST free)

Funding: The cost of this course may be fully subsidised by BERT Training Qld (BTQ). Call the BERT office on 07 3833 1191 to inquire if you may be eligible.

Dates: Monday to Saturday

Times: 7.00am to 5.00pm every day (10 hour days)

Pre-requisites:

- Must have a current general construction industry induction card
- Must have a current doggers licence
- Preferably have held a crane licence of another class and provide evidence of vocational competency that was not gained in a simulated workplace

Dress:

Dress requirements include high visibility vests, hard hats & safety work boots.

Formal Training Locations:

Koolat Safety will deliver the formal component of the course at its Industry Skills Centre at 1 Habana Street, Helensvale 4212 and at Hutchies' Yard, 153 Burnside Road, Yatala.
